

The 12th IEEE TOWERS

The 12th IEEE Transdisciplinary-Oriented Workshop for Emerging Researchers

November 28, 2015

Katsushika campus

Tokyo University of Science

Call for Papers

Details at: www.young-researchers.net/towers12th/

“Linking -Creating Future”

By multiplying your knowledge and experiences as a researcher with those of others, you can create greatly better future.

IEEE TOWERS is opened for all young researchers majoring any fields of research. Enjoy frank discussions on issues with them, which establish trusting relationship!

Submission deadline

October 25, 2015 (Extended!)

Abstract (within 80 words)
You should submit your abstract through the submission page until the deadline.

Time table

10:00–15:20 Poster Session
