

**Ph.D. Program in Empowerment Informatics****Information for Examinees**

General: Examination held at University of Tsukuba – Tsukuba Campus

**For Third Year Enrollment****1. Meeting Time and Place on the examination day****Examination Date: Monday, October 19, 2020****Meeting Time: 15:15****Meeting Place: Room 3L202(3L Bldg. Area3)****2. Oral Examination**

On the examination day, an examinee is expected to deliver a presentation of his/her research achievements and plan, and career plan using the presentation slides (e.g. PowerPoint). A question and answer session is scheduled after the presentation.

Please prepare your presentation materials taking account of the time allocation given below.

Third Year Enrollment

Research Achievement &amp; Plan Presentation . . . 10 minutes

Career Plan Presentation . . . 5 minutes

Question &amp; Answer Session . . . 15 minutes

**NOTE:** You are expected to give the presentation using your computer. If you wish to use your Mac computer, please bring an adaptor to connect it to a projector. And also save the presentation slides to your USB and bring it to the examination site just in case.

**3. Confirming Your Identity**

Please ensure that you will bring your Reference Card to the examination site. To confirm your identity, we will check your Reference Card and the Photo Sheet that we have. We may ask you to provide your passport and/or photo ID card so please bring them to the site as well.

**NOTE:** If the examinee's identity cannot be confirmed, the examination will not be conducted.

**4. Deciding on the Successful Applicant**

The pass/fail decision will be made on the basis of the documents submitted by an applicant and the outcome of his/her performance on the oral examination.

**5. Release of Results**

The examinee numbers of successful applicants will be posted to our website (<https://entry.ap-graduate.tsukuba.ac.jp>) on **Friday, November 6 2020**. An acceptance letter will be sent to each successful applicant on the day.

**NOTE:** Any inquiries made about results are not acceptable.
