

Ph.D. Program in Empowerment Informatics Special Fellows Name List Academic Year 2020

The University of Tsukuba Financial Support Scheme for Special Fellows aims to assist the students enrolled in the Ph.D. Program in Empowerment Informatics to plan and conduct their own research in a self-directed and creative manner during the period of their study and lead them to become the global leaders of the future. The students accepted for the Special Fellows are eligible to receive the Financial Support.

The following 24 students have been successfully accepted for the Special Fellows for the 2020 academic year.
